The Authors

Abay Abylaiuly, PhD, LLM, is an Associate Professor at Maqsut Narikbayev University (Astana, Kazakhstan) and Program Director of the WIPO Joint LLM in Intellectual Property and Business Law. He holds a PhD in International Law from KAZGUU University and an LLM in International Business Law from the University of Leeds (UK). Abay has participated in the World Intellectual Property Organization–World Trade Organization Colloquium for Teachers of Intellectual Property Law and Policy and contributes to academic and policy discussions on IP governance.

In this work, he served as the team leader and authored the General Introduction and Chapter 1.

Email: a_abylaiuly@kazguu.kz

Ramazan Kokzhalov, LLM, PhD researcher, is an attorney specialising in intellectual property and corporate law. His work includes intellectual property transactions, licensing, and technology commercialisation, as well as protection of digital assets and regulatory aspects of innovation-driven businesses. He has experience in intellectual property dispute resolution and served as a member of the Appeals Board of the

Ministry of Justice of the Republic of Kazakhstan. Ramazan also served as an adviser to two Ministers of Justice of the Republic of Kazakhstan, contributing to legal policy reform, including regulation of collective rights management and modernisation of IP-related procedures. He has advised multinational companies and technology ventures on IP protection strategies and cross-border commercialisation. He holds an LLM from the University of California and is currently pursuing a PhD in law at Maqsut Narikbayev University.

In this work, he authored Chapter 2 (Copyright), Chapter 8 (Plant Variety Protection), Chapter 9 (Chip Protection), and Chapter 11 (Geographical Indications).

Email: ramazan_kokzhalov@kazguu.kz

Assemgul Abenova, LLM, is an intellectual property specialist with more than sixteen years of experience in IP protection. She holds a Master's in Intellectual Property and New Technologies from the Jagiellonian University (Poland), completed in cooperation with the World Intellectual Property Organization (WIPO) Academy. Her professional expertise includes participation in work on draft international legal instruments, including the Treaty on Trademarks, Service Marks and Appellations of Origin of the Eurasian Economic Union and the Protocol on the Protection of Industrial Designs to the Eurasian Patent Convention. She combines professional practice within the Eurasian patent system with academic teaching at Maqsut Narikbayev University and is involved in the WIPO educational programme 'Intellectual Property Law and Business' in the Republic of Kazakhstan.

In this work, she authored Chapter 3 (Patents), Chapter 4 (Utility Models), Chapter 5 (Trademarks), and Chapter 7 (Industrial Designs).

Email: abenovaassemgul@gmail.com

Yester Babajanyan, PhD candidate, LLM, is a Teaching Professor at Maqsut Narikbayev University. Her academic and professional interests focus on civil law, contract law, and legal education, with particular attention to the integration of digital technologies and artificial intelligence into legal practice and teaching. She has extensive experience in curriculum development, academic leadership, and the design of practice-oriented legal training. Yester is actively involved in research and educational projects, collaborating with national and international partners. She has contributed to the development of innovative legal programs and initiatives aimed at advancing modern legal education.

In this work, she authored Chapter 6 (Trade Names), Chapter 10 (Trade Secrets and Confidential Information), and Chapter 12 (Transfer of Intellectual Property Rights).
